

KEYERA CORP.

Premium Dividend™ and Dividend Reinvestment Plan

Overview

This Premium Dividend™ and Dividend Reinvestment Plan (the “*Plan*”) provides Eligible Shareholders of Keyera Corp. (the “*Corporation*”) with the opportunity to reinvest their Dividends (net of any applicable withholding taxes) in new Shares at a 5% discount to the Average Market Price, in the case of the Premium Dividend™ Component of the Plan, and a 3% discount to the Average Market Price, in the case of the Dividend Reinvestment Component of the Plan, on the applicable payment date, which new Shares will, at the Participant’s election, either be credited to its account under the Dividend Reinvestment Component of the Plan or exchanged under the Premium Dividend™ Component of the Plan for a cash payment equal to 102% of the reinvested Dividends. Each component of the Plan, which is explained in greater detail below, is subject to eligibility restrictions, applicable withholding taxes, prorating as provided herein, and other limitations on the availability of new Shares in certain events.

Eligible Shareholders are not required to participate in the Plan, which is not automatic but rather must be initiated by an Eligible Shareholder as described herein. An Eligible Shareholder who does not elect to participate in the Plan will continue to receive their Dividends in the normal manner.

In order to participate in either the Dividend Reinvestment Component or the Premium Dividend™ Component, an Eligible Shareholder must enrol in the Plan directly or through the broker, investment dealer, financial institution or other nominee who holds the Shares on behalf of the Eligible Shareholder. See “Enrolment” below.

Transition from Previous Plan of Keyera Facilities Income Fund

This Plan amends, restates and supersedes in its entirety the Amended Premium Distribution™ and Distribution Reinvestment Plan of Keyera Facilities Income Fund (the “Fund”) dated April 8, 2010 (the “Fund Plan”).

A former beneficial owner of trust units of the Fund (i.e., a holder of trust units that were not registered in the beneficial owner’s name, but were instead held through a broker, investment dealer, financial institution or other nominee) who (i) was validly enrolled, through the nominee holder through which the trust units were held, in either the distribution reinvestment component or the Premium Distribution™ component of the Fund Plan prior to January 1, 2011, and (ii) as a result of the conversion of the Fund to a corporation on January 1, 2011, became a beneficial owner of Shares and (iii) is an Eligible Shareholder who continues to hold such Shares on the applicable Dividend record date, will be treated by the Corporation and the Plan Agent as automatically continuing to participate in the Dividend Reinvestment Component or the Premium Dividend™ Component of the Plan, as the case may be. Nonetheless, each such Eligible Shareholder should contact their nominee holder to confirm continued participation in the Plan.

Plan Components

Dividend Reinvestment

Under the Dividend Reinvestment Component, the Plan Agent will, on each Dividend payment date, on behalf of Participants enrolled in the Dividend Reinvestment Component, apply the aggregate Dividends payable on the Shares of such Participants towards the purchase from treasury of the Corporation of such number of new Shares as is equal to the aggregate amount of such Dividends divided by 97% of the corresponding Average Market Price.

The new Shares so purchased will be held under the Plan by the Plan Agent for the account of the applicable Participants or, in the case of Eligible Shareholders that are enrolled in the Plan indirectly through CDS, credited through CDS to the accounts of appropriate CDS Participants on behalf of such Eligible Shareholders.

Any subsequent Dividends paid in respect of Shares purchased under the Dividend Reinvestment Component will be subject to reinvestment under the Plan (i) in the case of Shares held under the Plan for the account of a Participant other than CDS, pursuant to the current election of the Participant as between the Dividend Reinvestment Component and the Premium Dividend™ Component, or (ii) in the case of Shares enrolled in the Plan indirectly through CDS, pursuant to instructions provided to the Plan Agent by CDS in the manner described below under the heading “Enrolment”.

Premium Dividend™

Under the Premium Dividend™ Component, the Plan Agent will, on each Dividend payment date, on behalf of Participants enrolled in the Premium Dividend™ Component, apply the aggregate Dividends payable on the Shares of such Participants towards the purchase from treasury of the Corporation of such number of new Shares as is equal to the aggregate amount of such Dividends divided by 95% of the corresponding Average Market Price. Additionally a number of Shares approximately equal to that number of new Shares to be purchased under the Premium Dividend™ Component will in turn be pre-sold, through the Plan Broker, in one or more transactions on the TSX.

The new Shares purchased on the reinvestment of Dividends under the Premium Dividend™ Component will not be held under the Plan by the Plan Agent or credited through CDS to the accounts of appropriate CDS Participants on behalf of Eligible Shareholders that are enrolled in the Premium Dividend™ Component, but will instead be delivered to the Plan Broker in exchange for the Premium Dividend™ in an amount equal to 102% of the reinvested Dividends. The Plan Agent will in turn remit payment of the Premium Dividend™ to Participants in the Premium Dividend™ Component in the same manner that regular Dividends are paid by the Corporation.

At the time Shares are delivered to the Plan Broker, each Shareholder participating in the Plan for whom Dividends are reinvested under the Premium Dividend™ Component shall be deemed to represent and warrant to the Corporation, the Plan Agent and the Plan Broker that: (i) it holds good and marketable title to such Shares, free and clear of all liens, restrictions, charges, encumbrances, claims and rights of others; (ii) such Shares are not subject to resale restrictions; and (iii) it is an Eligible Shareholder.

The Corporation and the Plan Agent have a commitment from the Plan Broker to pay the Premium Dividend™ to the Plan Agent against delivery of the corresponding Shares on the applicable Dividend payment date. Although the Corporation and the Plan Agent will, if necessary, make claims on this commitment, neither the Corporation nor the Plan Agent has any liability to Participants enrolled in the Premium Dividend™ Component (or to any Shareholder for which the Participant may be acting) for any failure of the Plan Broker to fulfil its obligation to pay the Premium Dividend™ when required. If the Plan Agent does not receive from the Plan Broker sufficient funds to pay the Premium Dividend™ on all Shares of

Participants that are enrolled in the Premium Dividend™ Component, such Participants will receive from the Corporation the regular, declared Dividend for each such Share in respect of which the Premium Dividend™ is not paid by the Plan Broker. For greater certainty, a Participant who receives the regular Dividend in these circumstances will not be entitled to receive the corresponding Premium Dividend™.

Eligibility Requirements

Shareholders who are resident in Canada may participate in either the Dividend Reinvestment Component or the Premium Dividend™ Component.

Unless otherwise announced by the Corporation, Shareholders who are residents of the United States may not participate in either component of the Plan.

Shareholders who are resident in any other jurisdiction outside of Canada, other than residents of the United States, may participate in the Dividend Reinvestment Component only if permitted by the laws of the jurisdiction in which they reside provided that such laws do not subject the Plan or the Corporation to additional legal or regulatory requirements. Shareholders not resident in Canada or the United States should consult legal counsel where they reside to determine their eligibility to participate in either component of the Plan. **Unless otherwise announced by the Corporation, Shareholders not resident in Canada may not participate in the Premium Dividend™ Component.** The amount of any Dividends to be reinvested under the Plan on behalf of Shareholders who are not residents of Canada will be reduced by the amount of any applicable non-resident withholding tax.

In addition, the Corporation and the Plan Agent reserve the right to deny participation in the Plan to, or cancel the participation of, any person or agent of any person who appears to be, or who the Corporation or the Plan Agent has reason to believe is, subject to the laws of any jurisdiction which does not permit participation in the Plan in the manner sought by such person or which will subject the Plan or the Corporation to requirements of the jurisdiction not otherwise applicable to the Plan or the Corporation, or whose participation in the Plan is suspected to be part of a scheme to avoid applicable legal requirements or otherwise engage in unlawful behaviour.

The Corporation further reserves the right to determine, from time to time, a minimum number of Shares that a Shareholder must hold in order to be eligible for, or continue to be enrolled in, the Plan, subject to any applicable legal or regulatory requirements.

Enrolment

Direct Enrolment

An Eligible Shareholder whose Shares are registered in their own name may directly enroll in either the Dividend Reinvestment Component or the Premium Dividend™ Component by delivering to the Plan Agent a duly completed Enrolment Form. A copy of the Enrolment Form is available from the Plan Agent's website at www.computershare.com or by calling the Plan Agent at 1-800-564-6253, or from the Corporation's website at www.keyera.com.

A Participant who delivers an Enrolment Form will be deemed to thereby direct the Corporation to credit the Plan Agent with all Dividends payable in respect of all Shares registered in the name of the Participant or held under the Plan by the Plan Agent for the Participant's account as of the Dividend record date, and to direct the Plan Agent to reinvest such Dividends in new Shares in accordance with the Dividend Reinvestment Component or the Premium Dividend™ Component, as applicable, and otherwise upon and subject to the terms and conditions described herein. See "Deemed Representations, Authorizations etc." below.

Indirect Enrolment

An Eligible Shareholder whose Shares are not registered in its own name cannot enroll in the Plan directly but may instead do so indirectly through the broker, investment dealer, financial institution or other nominee who holds their Shares by providing appropriate enrolment instructions to such nominee. Where such nominee holds Shares in their own name (and not through CDS) on behalf of an Eligible Shareholder, the nominee may enroll in the Plan on behalf of the Eligible Shareholder by delivering to the Plan Agent a duly completed Enrolment Form. Where the Shares are held indirectly through CDS, enrolment instructions must be communicated to CDS by the applicable CDS Participant in accordance with the procedures of CDS's system, and CDS will in turn provide instructions to the Plan Agent regarding the extent of its participation, on behalf of Eligible Shareholders, in the Dividend Reinvestment Component and the Premium Dividend™ Component. The instructions of CDS will advise the Plan Agent of the aggregate number of Shares held through CDS in respect of which Dividends are to be reinvested under the Dividend Reinvestment Component and under the Premium Dividend™ Component.

Continued Participation

Once a Participant (other than CDS) has enrolled in either the Premium Dividend™ Component or the Dividend Reinvestment Component by delivering to the Plan Agent a duly completed Enrolment Form, participation in the manner elected by the Participant continues automatically with respect to all Shares registered in the name of the Participant or held under the Plan by the Plan Agent for the Participant's account until the Plan or the Participant's participation therein is terminated or until the Participant changes its election.

Eligible Shareholders who participate in the Plan indirectly through CDS or otherwise through their broker, investment dealer, financial institution or other nominee should consult such nominee to confirm the nominee's policies concerning continued participation following initial enrolment. See "Termination of Participation" and "Change of Election" below.

Enrolment Deadlines

In order for a particular Dividend payable on Shares of an Eligible Shareholder to be reinvested on the Dividend payment date, the Plan Agent must receive (i) a duly completed Enrolment Form that covers such Shares not later than 5:00 p.m. (Toronto time) on the third Business Day preceding the record date for the Dividend, or (ii) in the case of Shares enrolled indirectly through CDS, appropriate instructions from CDS regarding the extent of its participation not later than such time preceding the record date for that Dividend as may be agreed from time to

time between CDS and the Plan Agent in accordance with custom and practice relating to CDS's system. CDS must in turn receive appropriate instructions from the nominee holders that are CDS Participants not later than such deadline preceding the record date as may be established by CDS from time to time. Enrolment Forms or instructions from CDS, as applicable, received by the Plan Agent after the stipulated pre-record date deadline will not be effective in respect of the corresponding Dividend unless otherwise determined by the Corporation and the Plan Agent in their sole discretion.

Broker Requirements

A CDS Participant or other broker, investment dealer, financial institution or other nominee may require certain information or documentation from an Eligible Shareholder before it will act upon enrolment instructions relating to the Plan. Eligible Shareholders who wish to participate in the Plan should contact the broker, investment dealer, financial institution or other nominee who holds their Shares to provide instructions regarding their decision to enroll and their election as between the Dividend Reinvestment Component and the Premium Dividend™ Component, to confirm any information or documentation required to give effect to their instructions, to confirm the nominee's policies concerning continued participation following initial enrolment, and to inquire about any applicable deadlines that the nominee may impose or be subject to under the policies of that nominee or CDS's system.

Administration

Computershare Trust Company of Canada has been appointed to act as Plan Agent for and on behalf of Participants. If Computershare Trust Company of Canada ceases to act as Plan Agent for any reason, another qualified party will be designated by the Corporation to act as Plan Agent and Participants will be notified of the change.

All funds credited to the Plan Agent under the Plan on account of the reinvestment of Dividends will be applied to the purchase of new Shares directly from the Corporation on behalf of Participants. In no event will interest be paid to Participants on any funds held for reinvestment under the Plan.

In carrying out its obligations under the Plan on behalf of Participants, the Plan Agent shall only be required to act in accordance with the instructions duly received within the appropriate time periods.

Proration in Certain Events

The Corporation reserves the right to determine, no later than the Business Day following each Dividend record date, the amount of new equity, if any, to be made available under the Plan on the Dividend payment date to which such record date relates. No assurances can be made that new Shares will be made available under the Plan on a regular basis, or at all.

If, in respect of any Dividend payment date, fulfilling the elections of all Participants under the Plan would result in the Corporation exceeding the maximum amount of new equity set by the Corporation, then elections for the purchase of new Shares on that Dividend payment date will be accepted (i) first, from Participants electing to reinvest Dividends under the Dividend

Reinvestment Component, and (ii) second, to the extent that new equity remains available under the Plan, from Participants electing to receive the Premium Dividend™ under the Premium Dividend™ Component. If the Corporation is not able to accept all elections for a particular component of the Plan, then purchases of Shares under that component on the applicable Dividend payment date will be prorated among all Participants in that component according to the number of Shares enrolled therein.

If trading of Shares on the TSX, or the trading thereof by the Plan Broker, is for any reason prohibited for an entire day, or if the Premium Dividend™ Component is terminated or suspended for any reason, in any such case during a Pricing Period, then the new Shares to be exchanged for the Premium Dividend™ pursuant to the Premium Dividend™ Component will be prorated among all Participants who have elected to receive the Premium Dividend™ according to the number of Shares enrolled in the Premium Dividend™ Component.

If on any Dividend payment date the Corporation determines not to issue any equity through the Plan or the availability of new Shares is prorated in accordance with the terms of the Plan, or for any other reason a Dividend cannot be reinvested under the Plan, in whole or in part, then Participants will receive from the Corporation the regular, declared Dividend on each Share for which the Dividend is payable but cannot be reinvested under the Plan.

Price of New Shares

The subscription price of new Shares purchased on a Dividend payment date (i) under the Dividend Reinvestment Component will be 97% of the Average Market Price for that Dividend payment date and (ii) under the Premium Dividend™ Component will be 95% of the Average Market Price for that Dividend payment date.

Costs

No commissions, service charges or brokerage fees are payable by Participants in connection with the purchase of new Shares from treasury under either the Dividend Reinvestment Component or the Premium Dividend™ Component. All administrative costs of the Plan, including the fees and expenses of the Plan Agent, will be paid by the Corporation.

Eligible Shareholders whose Shares are not registered in their own name but who wish to participate in the Plan should consult the broker, investment dealer, financial institution or other nominee who holds their Shares to confirm whether such nominee charges any fees to enrol in the Plan on their behalf.

Reports to Participants

The Plan Agent will maintain an account for each Participant with respect to purchases of Shares made under the Plan for that Participant's account and will issue an unaudited statement regarding purchases made under the Dividend Reinvestment Component on a monthly basis. These statements are a Participant's continuing record of purchases of Shares made for such Participant's account under the Plan and should be retained for income tax purposes. No statements will be provided to Participants in respect of purchases made under the Premium Dividend™ Component.

Eligible Shareholders who participate in the Plan indirectly through their broker, investment dealer, financial institution or other nominee should consult such nominee to confirm what statements or reports, if any, will be provided by the nominee, whether for tax reporting purposes or otherwise.

Whether or not it receives detailed statements or reports concerning transactions made on its behalf under the Plan, each Shareholder is responsible for calculating and monitoring its own adjusted cost base in Shares for Canadian federal income tax purposes, as certain averaging and other rules may apply and such calculations may depend on the cost of other Shares held by the Shareholder and other factors.

Share Certificates

Shares purchased under the Dividend Reinvestment Component and held under the Plan by the Plan Agent for the account of Participants other than CDS will be registered in the name of the Plan Agent or its nominee or in accounts designated by it for the account of Participants other than CDS. Share Certificates will only be issued to the Participant if the Plan or the Participant's participation therein is terminated or if the Participant withdraws Shares from its account.

A Participant may, without terminating participation in the Plan, withdraw from its account under the Plan, and have a Share Certificate issued and registered in the Participant's name for, any number of whole Shares held for its account under the Plan by delivering to the Plan Agent a duly completed withdrawal portion of the voucher located on the reverse of the statement of account issued by the Plan Agent. A withdrawal request form may also be obtained from the Plan Agent at the address below. The withdrawal of Shares and issuance of a Share Certificate will be completed within the Plan Agent's ordinary service standards. Any remaining Shares (including any residual fraction of a Share) will continue to be held by the Plan Agent for the Participant's account under the Plan.

Shares held under the Plan by the Plan Agent for the account of a Participant may not be sold, pledged or otherwise disposed of by the Participant while so held.

For Eligible Shareholders enrolled in the Dividend Reinvestment Component indirectly through CDS, any new Shares issued will not be held under the Plan but instead credited through such CDS's system to the accounts of appropriate CDS Participants on behalf of such Eligible Shareholders.

Termination of Participation

An Eligible Shareholder who is enrolled in the Plan directly as a Participant and wishes to terminate their participation in the Plan may do so voluntarily by delivering to the Plan Agent a duly completed termination portion of the voucher located on the reverse of the statement of account issued by the Plan Agent. A termination request form may also be obtained from the Plan Agent at the address below. In addition, participation will be terminated automatically following receipt by the Plan Agent of written notice of an individual Participant's death.

If a duly completed termination request (or notice of an individual Participant's death) is not received by the Plan Agent before 5:00 p.m. (Toronto time) on the third Business Day preceding a Dividend record date, then the Participant's account will not be closed, and participation in the Plan by such Participant will not be terminated, until after the Dividend payment date to which that record date relates.

An Eligible Shareholder who is enrolled in the Plan indirectly through CDS or otherwise through its broker, investment dealer, financial institution or other nominee and wishes to terminate its participation in the Plan must contact the nominee who holds its Shares and provide appropriate instructions to do so. The nominee should be consulted to confirm what information or documentation may be required to give effect to the termination instructions, and to inquire about any applicable deadlines that the nominee may impose or be subject to under the policies of that nominee or CDS's system.

In the event of termination of participation, a Participant (other than CDS) or a deceased Participant's estate or legal representative, as applicable, will be issued a Share Certificate for the number of whole Shares held under the Plan by the Plan Agent in the Participant's account and payment for any residual fraction of a Share so held based on the last price per Share at which Dividends were reinvested under the Plan.

Change of Election

An Eligible Shareholder who is enrolled in the Plan directly as a Participant and wishes to change its election as between the Dividend Reinvestment Component and the Premium Dividend™ Component may do so by delivering to the Plan Agent a new, duly completed Enrolment Form reflecting the new election.

If a new Enrolment Form is not received by the Plan Agent before 5:00 p.m. (Toronto time) on the third Business Day preceding a Dividend record date, then the previous election will apply to the Dividend to which that record date relates and the new election will only become effective for purposes of subsequent Dividends.

An Eligible Shareholder who is enrolled in the Plan indirectly through CDS or otherwise through its broker, investment dealer, financial institution or other nominee and wishes to change its election as between the Dividend Reinvestment Component and the Premium Dividend™ Component must contact such nominee who holds its Shares and provide appropriate instructions to do so. The nominee should be consulted to confirm what information or documentation may be required to give effect to the change of election instructions, and to inquire about any applicable deadlines that the nominee may impose or be subject to under the policies of that nominee or CDS's system.

Subdivisions

If Shares are distributed pursuant to a subdivision of Shares, the additional Shares received by the Plan Agent in respect of Shares held under the Plan by the Plan Agent for the account of Participants will be credited proportionately to the accounts of such Participants.

Shareholder Voting

Whole Shares held under the Plan by the Plan Agent for a Participant's account on the record date for a vote of Shareholders will be voted in accordance with the instructions of the Participant given on a form to be furnished to the Participant for this purpose. Shares for which instructions are not received will not be voted. No voting rights will attach to any fraction of a Share held for a Participant's account under the Plan.

Fractional Shares

Only whole Shares may be issued on the reinvestment of Dividends under the Dividend Reinvestment Component or the Premium Dividend™ Component, respectively. No fractional Shares will be issued under the Plan. Any portion of the aggregate Dividends to be reinvested under the Dividend Reinvestment Component that is insufficient to acquire one whole Share at 97% of the Average Market Price shall be paid to CDS and credited to the accounts of CDS Participants on behalf of Participants in the ordinary manner.

The crediting to Shareholder accounts of fractional interests in whole Shares issued and registered to CDS will depend on the policies of the broker, investment dealer, financial institution or other nominee through which the Shares are held.

Deemed Representations, Authorizations, etc.

By enrolling in the Dividend Reinvestment Component, whether directly as a Participant or indirectly through CDS or otherwise through a broker, investment dealer, financial institution or other nominee, a Shareholder shall be deemed to have: (i) represented and warranted to the Corporation and the Plan Agent that it is an Eligible Shareholder with respect to participation in the Dividend Reinvestment Component; (ii) appointed the Plan Agent to receive from the Corporation, and directed the Corporation to credit the Plan Agent with, all Dividends (less any applicable withholding taxes) payable in respect of Shares registered in the name of the Shareholder or held under the Plan for its account or, in the case of a Shareholder enrolled indirectly through CDS or otherwise through a broker, investment dealer, financial institution or other nominee, that are enrolled (through CDS or otherwise) on its behalf in the Dividend Reinvestment Component; and (iii) authorized and directed the Plan Agent to reinvest such Dividends (less any applicable withholding taxes) in new Shares, all in accordance with the provisions of the Dividend Reinvestment Component as set forth herein.

Responsibilities of the Corporation, the Plan Agent and the Plan Broker

None of the Corporation, the Plan Agent or the Plan Broker will be liable to any Shareholder, CDS, any CDS Participant or any other nominee acting on behalf of a Shareholder in respect of the Plan for any act or for any omission to act in connection with the operation of the Plan including, without limitation, any claims or liability with respect to or arising out of:

- (a) any failure by CDS, a CDS Participant or any other nominee to enrol or not enrol in the Plan any Shareholder (or, as applicable, any Shares held on the Shareholder's behalf) in accordance with the Shareholder's instructions or to not otherwise act upon a Shareholder's instructions;
- (b) the continued enrolment in the Plan of any Shareholder (or, as applicable, any Shares held on the Shareholder's behalf) until receipt of all necessary documentation as provided herein required to terminate participation in the Plan;
- (c) the prices and times at which Shares are purchased under the Plan for the account of, or on behalf of, any Shareholder;
- (d) decisions by the Corporation to issue or not issue new equity through the Plan on any given Dividend payment date, or the amount of equity issued (if any);
- (e) any decision to amend or terminate the Plan in accordance with the terms hereof;
- (f) any default by the Plan Broker in delivering the Premium Dividend™ to the Plan Agent on any Dividend payment date;
- (g) a prorating, for any reason, of the amount of equity available under the Plan in the circumstances described herein or otherwise;
- (h) any determination made by the Corporation or the Plan Agent as to a Shareholder's eligibility to participate in the Plan or any component thereof, including the cancellation of a Shareholder's participation for failure to satisfy eligibility requirements; or
- (i) any income taxes or other liabilities payable by a Shareholder in connection with their participation in the Plan.

None of the Corporation, the Plan Agent or the Plan Broker can assure a Participant (or any beneficial owner of Shares for which the Participant may be acting) a profit or protect a Participant (or such beneficial owner, as applicable) against loss on Shares purchased under the Plan.

The Plan Agent retains the right not to act and shall not be liable for refusing to act if, due to a lack of information or for any other reason whatsoever, the Plan Agent, in its sole judgment, determines that such act might cause it to be in non-compliance with any applicable anti-money laundering or anti-terrorist law, regulation or policy or any other law, regulation or policy to which the Plan Agent is now or hereafter becomes subject.

Canadian Federal Income Tax Considerations

The following is a summary of the principal Canadian federal income tax considerations under the Tax Act generally applicable to Shareholders who participate in the Plan.

This summary is provided by and on behalf of the Corporation and not the Plan Agent or the Plan Broker. The summary is for general information only, is not exhaustive of all possible tax considerations and is not intended to be legal or tax advice to any particular Shareholder. Shareholders are urged to consult their own tax advisors as to their particular circumstances and tax position.

This summary is based on the provisions of the Tax Act and the regulations thereunder (the “*Regulations*”), all specific proposals to amend the Tax Act and the Regulations publicly announced by or on behalf of the Minister of Finance (Canada), and the administrative and assessing practices of CRA, all as of January 1, 2011. This summary does not otherwise take into account or anticipate any changes in law or the administrative or assessing practices of CRA, including, without limitation, any changes which may occur after January 1, 2011, nor does it take into account any provincial, territorial or foreign tax considerations.

This summary assumes that all Shares held by a Shareholder who participates in the Plan (a “*Participating Shareholder*”), including Shares purchased pursuant to the Dividend Reinvestment Component or Premium Dividend™ Component, are held by the Participating Shareholder as capital property for the purposes of the Tax Act. The Shares will generally constitute capital property to a Participating Shareholder provided the Participating Shareholder does not hold or use such Shares in the course of carrying on business in which the Participating Shareholder buys or sell securities, and the Participating Shareholder did not acquire such Shares in one or more transactions considered to be an adventure or concern in the nature of trade. Certain Canadian Participants (as defined below) who might not otherwise be considered to hold their Shares as capital property may, in certain circumstances, be entitled to have their Shares and any other “Canadian security” (as defined in the Tax Act), treated as capital property by making the irrevocable election permitted by subsection 39(4) of the Tax Act. A Participating Shareholder contemplating making such an election should first consult its own tax advisors.

This summary is not applicable to: (i) a Participating Shareholder that is a “financial institution” (as defined in the Tax Act) for the purposes of the “mark-to-market” rules; (ii) a Participating Shareholder an interest in which would be a “tax shelter investment” (as defined in the Tax

Act); (iii) a Participating Shareholder that is a “specified financial institution” or a “restricted financial institution” (each as defined in the Tax Act); or (iv) a Participating Shareholder that has made a “functional currency” election under the Tax Act to determine its Canadian tax results in a currency other than Canadian currency.

Canadian Participants

This portion of the summary is applicable to Participating Shareholders who, at all relevant times and for the purposes of the Tax Act, are or are deemed to be residents of Canada (each, a “**Canadian Participant**”).

The reinvestment of Dividends, or the receipt of Premium Dividends™, under the terms of the Plan does not relieve a Canadian Participant from any liability for income taxes that may otherwise be payable on such amounts. In this regard, a Canadian Participant who participates in the Dividend Reinvestment Component or Premium Dividend™ Component will be treated, for tax purposes, as having received, on each Dividend payment date, a taxable dividend equal to the amount of the Dividend payable on such date, which Dividend will be subject to the same tax treatment accorded to taxable dividends received by the Canadian Participant from a taxable Canadian corporation. For example, if the Canadian Participant is an individual, Dividends will be subject to the gross-up and dividend tax credit rules contained in the Tax Act. Dividends received by an individual may be subject to alternative minimum tax. If the Canadian Participant is a “private corporation” or a “subject corporation” (both as defined in the Tax Act), a refundable tax may apply to the amount of the Dividend at a rate of 33 1/3%. The fact that the Dividends are reinvested pursuant to the Dividend Reinvestment Component or Premium Dividend™ Component will not affect the status of any Dividend as an “eligible dividend” for the purposes of the Tax Act.

A Canadian Participant’s reinvestment of Dividends pursuant to the Dividend Reinvestment Component or Premium Dividend™ Component, in such number of newly-issued Shares as is equal to the aggregate amount of the Dividend payable on each Dividend payment date divided by 97% of the corresponding Average Market Price, in the case of the Dividend Reinvestment Component, or by 95% of the corresponding Average Market Price, in the case of the Premium Dividend™ Component, should not result in the Canadian Participant realizing a taxable benefit under the Tax Act.

Where Shares purchased pursuant to the Dividend Reinvestment Component or Premium Dividend™ Component are held as capital property to a Canadian Participant for the purposes of the Tax Act, the Canadian Participant will generally realize a capital gain (or capital loss) on the sale of the Shares, whether sold pursuant to the Premium Dividend™ Component or otherwise outside the Plan, equal to the amount by which the proceeds of disposition is greater (or less) than the Canadian Participant’s adjusted cost base of such Shares plus any reasonable costs incurred by the Canadian Participant in connection with the sale.

For the purposes of determining the amount of any capital gain (or capital loss) which may result from the disposition of Shares, the adjusted cost base of the Shares owned by a Canadian Participant at a particular time will be the average cost of all Shares owned by the Canadian Participant at that time, whether purchased through the Dividend Reinvestment Component or the Premium Dividend™ Component or otherwise purchased outside the Plan. Generally, a

Canadian Participant's cost of a Share purchased pursuant to the Dividend Reinvestment Component will be equal to 97% of the Average Market Price of the Share for that Dividend payment date, and a Canadian Participant's cost of a Share purchased pursuant to the Premium Dividend™ Component will be equal to 95% of the Average Market Price of the Share for that Dividend payment date.

Generally, one-half of any capital gain realized by a Canadian Participant on a disposition of Shares purchased pursuant to the Dividend Reinvestment Component or Premium Dividend™ Component must be included in the Canadian Participant's income for the year as a taxable capital gain. Subject to certain specific rules in the Tax Act, one-half of any capital loss realized by a Canadian Participant on a disposition of Shares in a taxation year will be an allowable capital loss which must be deducted from any taxable capital gains realized by the Canadian Participant in the year of disposition. Allowable capital losses for a taxation year in excess of taxable capital gains for that year generally may be carried back and deducted in any of the three preceding taxation years or carried forward and deducted in any subsequent taxation year against net taxable capital gains realized in such years to the extent and under the circumstances set out in the Tax Act.

A Canadian Participant that is throughout the relevant taxation year a "Canadian controlled private corporation" (as defined in the Tax Act) may be liable to pay an additional refundable tax of 6 2/3% on its "aggregate investment income" (as defined in the Tax Act) for the year which will include an amount in respect of taxable capital gains. If the Canadian Participant is a corporation, the amount of any capital loss arising from a disposition or deemed disposition of such Shares may be reduced by the amount of dividends received or deemed to have been received by it on such shares to the extent and under circumstances prescribed by the Tax Act. Similar rules may apply where a corporation is a member of a partnership or a beneficiary of a trust that owns Shares. Canadian Participants to whom these rules may be relevant should consult their own tax advisors.

When a Canadian Participant's participation in the Plan is terminated by the Canadian Participant or the Corporation or when the Plan is terminated by the Corporation, the Canadian Participant will receive a cash payment for any residual fraction of a share based on the last price per Share at which Dividends were reinvested under the Plan. A deemed dividend may arise if the cash payment for a fractional Share exceeds the paid-up capital in respect of such fractional Share and a capital gain (or capital loss) may also be realized in certain circumstances. A deemed dividend is treated in the manner described above in respect of dividends.

Taxable capital gains realized by a Canadian Participant who is an individual may give rise to a liability for alternative minimum tax.

Where a Canadian Participant has not made the irrevocable election permitted under subsection 39(4) of the Tax Act to treat their Shares and any other "Canadian security" (as defined in the Tax Act) as capital property, the CRA may take the position that any Shares purchased and sold by the Canadian Participant pursuant to the Premium Dividend™ Component are not capital property to the Canadian Participant, such that the tax consequences of the Canadian Participant's sale of Shares pursuant to the Premium Dividend™ Component may differ from the consequences described above.

Non-Resident Participants

This portion of the summary is applicable to Participating Shareholders who, at all relevant times and for the purposes of the Tax Act, are not and are not deemed to be residents of Canada (each, a "*Non-Resident Participant*").

Any Dividends paid or credited to the Plan Agent on a Dividend payment date in respect a Non-Resident Participant's Shares will be subject to Canadian withholding tax under the Tax Act at a rate of 25%. However, this rate may be subject to reduction under the provisions of any income tax treaty between Canada and the country in which the Non-Resident Participant is resident. Any Dividends paid or credited to the Plan Agent on a Dividend payment date in respect of a Non-Resident Participant's Shares will be reduced by an amount equal to the Non-Resident Participant's Canadian withholding tax obligation prior to reinvestment pursuant to the Dividend Reinvestment Component.

A Non-Resident Participant will not be subject to Canadian income tax under the Tax Act on any capital gains realized on the disposition of Shares acquired pursuant to the Dividend Reinvestment Component unless such Shares constitute "taxable Canadian property" (as defined by the Tax Act) to the Non-Resident Participant. Provided that the Shares are listed on a "designated stock exchange" (as defined in the Tax Act and which currently includes the TSX) at the time of the disposition, Shares acquired by a Non-Resident Participant pursuant to the Dividend Reinvestment Component will not be taxable Canadian property to the Non-Resident Participant unless:

- (a) at any time during the 60-month period immediately preceding the disposition, the Non-Resident Participant and/or persons with whom the Non-Resident Participant does not deal at arm's length, owned 25% or more of the issued shares of any class of the Corporation's capital stock; or
- (b) the Shares are used or held by the Non-Resident Participant in carrying on business in Canada.

If the Shares are taxable Canadian property to a Non-Resident Participant, any capital gains realized on the sale or deemed disposition of the Shares will be subject to taxation in Canada, unless an exemption is provided in any tax treaty between Canada and the country in which the Non-Resident Participant is resident.
