KEYERA CORP.

(A corporation governed by the laws of Alberta)

6.75% CONVERTIBLE UNSECURED SUBORDINATED DEBENTURE

KEYERA CORP. (the "**Corporation**") for value received hereby acknowledges itself indebted and, subject to the provisions of the trust indenture dated as of June 3, 2004 between the Corporation and Computershare Trust Company of Canada (the "**Debenture Trustee**") as supplemented by a first supplemental indenture dated as of December 1, 2008 and a second supplemental indenture dated as of January 1, 2011 (both of such supplemental indentures, collectively, the "**Supplemental Indentures**" and together with such indenture referred to as the "**Indenture**"), promises to pay to the registered holder hereof on the maturity date of this Debenture, as hereinafter described, or on such earlier date as the principal amount hereof may become due in accordance with the provisions of the Indenture the principal sum of • Dollars (•\$) in lawful money of Canada on presentation and surrender of this Initial Debenture at the main branch of the Debenture Trustee in Calgary, Alberta or Toronto, Ontario in accordance with the terms of the Indenture. This Debenture shall mature on June 30, 2011 (the "**Maturity Date**"). Subject as hereinafter provided, the Corporation further promises to pay interest on the principal amount hereof from the date hereof, or from the last Interest Payment Date to which interest shall have been paid or made available for payment hereon, whichever is later, at the rate of 6.75% per annum, in like money, in semi-annual instalments in arrears (less any tax required by law to be deducted) on June 30 and December 31 in each year commencing on December 31, 2004 and, should the Corporation at any time make default in the payment of

any principal or interest, to pay interest on the amount in default at the same rate, in like money and on the same dates. The first interest payment payable on December 31, 2004 shall be in the amount of \$38.74 per \$1,000 principal amount of Initial Debentures.

Interest hereon shall be payable by cheque mailed by prepaid ordinary mail or by electronic transfer of funds to the registered holder hereof and, subject to the provisions of the Indenture, the mailing of such cheque or electronic transfer of funds, as the case may be, shall, to the extent of the sum represented thereby (plus the amount of any tax withheld), satisfy and discharge all liability for interest on this Initial Debenture.

This Debenture is one of the 6.75% Convertible Unsecured Subordinated Debentures (referred to herein as the "**Initial Debentures**") of the Corporation issued or issuable in one or more series under the provisions of the Indenture. However, but subject to the terms of the Indenture, additional Debentures may be issued pursuant to the Indenture after the date hereof. Reference is hereby expressly made to the Indenture for a description of the terms and conditions upon which the Initial Debentures are or are to be issued and held and the rights and remedies of the holders of the Initial Debentures and of the Corporation and of the Debenture Trustee, all to the same effect as if the provisions of the Indenture were herein set forth to all of which provisions the holder of this Initial Debenture by acceptance hereof assents.

The Initial Debentures are issuable only in denominations of \$1,000 and integral multiples thereof. Upon compliance with the provisions of the Indenture, Debentures of any denomination may be exchanged for an equal aggregate principal amount of Debentures in any other authorized denomination or denominations.

The whole, or if this Initial Debenture is a denomination in excess of \$1,000, any part which is \$1,000 or an integral multiple thereof, of the principal of this Initial Debenture is convertible, at the option of the holder hereof, upon surrender of this Initial Debenture at the principal office of the Debenture Trustee in Calgary, Alberta or Toronto, Ontario, at any time prior to the close of business on the Maturity Date or, if this Initial Debenture is called for redemption on or prior to such date, then up to but not after the close of business on the last Business Day immediately preceding the date specified for redemption of this Initial Debenture, into Shares (without adjustment for interest accrued hereon or for dividends or distributions on Shares issuable upon conversion) at an original conversion price of \$12.00 (the "**Conversion Price**") per Share, being a rate of approximately 83.3333 Shares for each \$1,000 principal amount of Initial Debentures, all subject to the terms and conditions and in the manner set forth in the Indenture. The Indenture makes provision for the adjustment of the Conversion Price in the events therein specified. No fractional Shares will be issued on any conversion but in lieu thereof, the Corporation will satisfy such fractional interest by a cash payment equal to the market price of such fractional interest determined in accordance with the Indenture.

The Initial Debentures may be redeemed at the option of the Corporation on the terms and conditions set out in the Indenture at the redemption price therein and herein set out provided that this Initial Debenture is not redeemable on or before June 30, 2007, except in the event of the satisfaction of certain conditions after a Change of Control has occurred. After June 30,

2007 and on or prior to June 30, 2009, the Initial Debentures are redeemable at the option of the Corporation in whole or in part at a price equal to the principal amount of the Initial Debentures (the "**Redemption Price**") provided the Corporation files with the Trustee on the date that notice of redemption of this Initial Debenture is first provided, an Officer's Certificate of the Corporation certifying that the weighted average trading price of the Shares on the Toronto Stock Exchange (or elsewhere in accordance with the Indenture) for 20 consecutive trading days, ending on the fifth day preceding the date notice is given ("**Current Market Price**") is at least 125% of the Conversion Price then in effect and otherwise on the terms and conditions described in the Indenture. In addition thereto, at the time of redemption, the Corporation shall pay to the holder accrued and unpaid interest. After June 30, 2009 and prior to maturity, the Initial Debentures are redeemable at the option of the Corporation at the Redemption Price of the Initial Debentures irrespective of the Current Market Price and otherwise on the terms and conditions described in the Indenture. In addition thereto, at the time of redemption, the Corporation shall pay to the holder accrued and unpaid interest. The Corporation may, on notice as provided in the Indenture, at its option and subject to any applicable regulatory approval, elect to satisfy its obligation to pay all or any portion of the Redemption Price by the issue of that number of Shares obtained by dividing the Redemption Price by 95% of the Current Market Price.

Upon the occurrence of a Change of Control of the Corporation, the Corporation is required to make an offer to purchase all of the Initial Debentures at a price equal to 101% of the principal amount of such Initial Debentures plus accrued and unpaid interest (if any) up to, but excluding, the date the Initial Debentures are so repurchased (the "**Offer**"). If 90% or more of the principal amount of all Initial Debentures outstanding on the date the Corporation provides notice of a Change of Control to the Debenture Trustee have been tendered for purchase pursuant to the Offer, the Corporation has the right to redeem and shall redeem all the remaining outstanding Initial Debentures on the same date and at the same price.

If a takeover bid for Initial Debentures, within the meaning of the Applicable Securities Legislation, is made and 90% or more of the principal amount of all the Initial Debentures (other than Initial Debentures held at the date of the takeover bid by or on behalf of the Offeror, Associates or Affiliates of the Offeror or anyone acting jointly or in concert with the Offeror) are taken up and paid for by the Offeror, the Offeror will be entitled to acquire the Initial Debentures of those holders who did not accept the offer on the same terms as the Offeror acquired the first 90% of the principal amount of the Initial Debentures.

The Corporation may, on notice as provided in the Indenture, at its option and subject to any applicable regulatory approval, elect to satisfy the obligation to repay all or any portion of the principal amount of this Initial Debenture due on the Maturity Date by the issue of that number of Freely Tradeable Shares obtained by dividing the principal amount of this Initial Debenture to be paid for in Shares pursuant to the exercise by the Corporation of the Share Repayment Right by 95% of the Current Market Price.

The indebtedness evidenced by this Initial Debenture, and by all other Initial Debentures now or hereafter certified and delivered under the Indenture, is a direct unsecured obligation of the Corporation, and is subordinated in right of payment, to the extent and in the manner provided in the Indenture, to the prior payment of all Senior Indebtedness (including any indebtedness to trade creditors), whether outstanding at the date of the Indenture or thereafter created, incurred, assumed or guaranteed.

The principal hereof may become or be declared due and payable before the stated maturity in the events, in the manner, with the effect and at the times provided in the Indenture.

The Indenture contains provisions making binding upon all holders of Debentures outstanding thereunder (or in certain circumstances specific series of Debentures) resolutions passed at meetings of such holders held in accordance with such provisions and instruments signed by the holders of a specified majority of Debentures outstanding (or specific series), which resolutions or instruments may have the effect of amending the terms of this Initial Debenture or the Indenture.

The Indenture contains provisions disclaiming any personal liability on the part of holders of Shares, officers and directors of the Corporation or agents of the Corporation in respect of any obligation or claim arising out of the Indenture or this Initial Debenture.

This Initial Debenture may only be transferred, upon compliance with the conditions prescribed in the Indenture, in one of the registers to be kept at the principal office of the Debenture Trustee in Calgary, Alberta or Toronto, Ontario and in such other place or places and/or by such other registrars (if any) as the Corporation with the approval of the Debenture Trustee may designate. No transfer of this Initial debenture shall be valid unless made on the register by the registered holder hereof or his executors or administrators or other legal representatives, or his or their attorney duly appointed by an instrument in form and substance satisfactory to the Debenture Trustee or other registrar, and upon compliance with such reasonable requirements as the Debenture Trustee and/or other registrar may prescribe and upon surrender of this Initial Debenture for cancellation. Thereupon a new Initial Debenture or Initial Debentures in the same aggregate principal amount shall be issued to the transferee in exchange hereof.

This Initial Debenture shall not become obligatory for any purpose until it shall have been certified by the Debenture Trustee under the Indenture.

Capitalized words or expressions used in this Initial Debenture shall, unless otherwise defined herein, have the meaning ascribed thereto in the Indenture.

Interest hereon shall be payable by cheque mailed by prepaid ordinary mail or by electronic transfer of funds to the registered holder hereof and, subject to the provisions of the Indenture, the mailing of such cheque or electronic transfer of funds, as the case may be, shall, to the extent of the sum represented thereby (plus the amount of any tax withheld), satisfy and discharge all liability for interest on this Second Debenture.

This Second Debenture is one of the 8.25% Convertible Unsecured Subordinated Debentures (referred to herein as the "**Second Debentures**") of the Corporation issued or issuable in one or more series under the provisions of the Indenture. However, but subject to the terms of the Indenture, additional Second Debentures or Additional Debentures may be issued pursuant to the Indenture after the date hereof. Reference is hereby expressly made to the Indenture for a description of the terms and conditions upon which the Second Debentures or Additional Debentures are or are to be issued and held and the rights and remedies of the holders of the Second Debentures and of the Corporation and of the Debenture Trustee, all to the same effect as if the provisions of the Indenture were herein set forth to all of which provisions the holder of this Second Debenture by acceptance hereof assents.

The Second Debentures are issuable only in denominations of \$1,000 and integral multiples thereof. Upon compliance with the provisions of the Indenture, Debentures of any denomination may be exchanged for an equal aggregate principal amount of Debentures in any other authorized denomination or denominations.

The whole, or if this Second Debenture is a denomination in excess of \$1,000, any part which is \$1,000 or an integral multiple thereof, of the principal of this Second Debenture is convertible, at the option of the holder hereof, upon surrender of this Second Debenture at the principal office of the Debenture Trustee in Calgary, Alberta or Toronto, Ontario, at any time prior to the close of business on the Maturity Date or, if this Second Debenture is called for redemption on or prior to such date, then up to but not after the close of business on the last Business Day immediately preceding the date specified for redemption of this Second Debenture, into Shares (without adjustment for interest accrued hereon or for dividends or distributions on Shares issuable upon conversion) at an original conversion price of \$19.50 (the "**Conversion Price**") per Share, being a rate of approximately 51.2821 Shares for each \$1,000 principal amount of Second Debentures, all subject to the terms and conditions and in the manner set forth in the Indenture. The Indenture makes provision for the adjustment of the Conversion Price in the events therein specified. No fractional Shares will be issued on any conversion but in lieu thereof, the Corporation will satisfy such fractional interest by a cash payment equal to the market price of such fractional interest determined in accordance with the Indenture.

The Second Debentures may be redeemed at the option of the Corporation on the terms and conditions set out in the Indenture at the redemption price therein and herein set out provided

that this Second Debenture is not redeemable on or before December 31, 2011, except in the event of the satisfaction of certain conditions after a Change of Control has occurred. On and after January 1, 2012 and on or before December 31, 2012, the Second Debentures are redeemable at the option of the Corporation in whole or in part at a price equal to the principal amount of the Second Debentures and, in addition thereto, at the time of redemption, the Corporation shall pay to the holder accrued and unpaid interest, all provided that the Current Market Price on the date on which the Redemption Notice is given is not less than 125% of the Conversion Price then in effect. On and after January 1, 2013 and prior to maturity, the Second Debentures are redeemable at the option of the Corporation at a price equal to the principal amount of the Second Debentures and, in addition thereto, at the time of redemption, the Corporation shall pay to the holder accrued and unpaid interest, all irrespective of the Current Market Price. The Corporation may, on notice as provided in the Indenture, at its option and subject to any applicable regulatory approval, elect to satisfy its obligation to pay all or any portion of the Redemption Price by the issue of that number of Shares obtained by dividing the Redemption Price by 95% of the Current Market Price.

Upon the occurrence of a Change of Control (as defined in the Supplemental Indenture) of the Corporation, the Corporation is required to make an offer to purchase all of the Second Debentures at a price equal to 101% of the principal amount of such Second Debentures plus accrued and unpaid interest (if any) up to, but excluding, the date the Second Debentures are so repurchased (the "**Offer**"). If 90% or more of the principal amount of all Second Debentures outstanding on the date the Corporation provides notice of a Change of Control to the Debenture Trustee have been tendered for purchase pursuant to the Offer, the Corporation has the right to redeem and shall redeem all the remaining outstanding Second Debentures on the same date and at the same price.

If a takeover bid for Second Debentures, within the meaning of the Applicable Securities Legislation, is made and 90% or more of the principal amount of all the Second Debentures (other than Second Debentures held at the date of the takeover bid by or on behalf of the Offeror, Associates or Affiliates of the Offeror or anyone acting jointly or in concert with the Offeror) are taken up and paid for by the Offeror, the Offeror will be entitled to acquire the Second Debentures of those holders who did not accept the offer on the same terms as the Offeror acquired the first 90% of the principal amount of the Second Debentures.

The Corporation may, on notice as provided in the Indenture, at its option and subject to any applicable regulatory approval, elect to satisfy the obligation to repay all or any portion of the principal amount of this Second Debenture due on the Maturity Date by the issue of that number of Freely Tradeable Shares obtained by dividing the principal amount of this Second Debenture to be paid for in Shares pursuant to the exercise by the Corporation of the Share Repayment Right by 95% of the Current Market Price.

The indebtedness evidenced by this Second Debenture, and by all other Second Debentures now or hereafter certified and delivered under the Indenture, is a direct unsecured obligation of the Corporation, and is subordinated in right of payment, to the extent and in the manner

provided in the Indenture, to the prior payment of all Senior Indebtedness (including any indebtedness to trade creditors), whether outstanding at the date of the Indenture or thereafter created, incurred, assumed or guaranteed.

The principal hereof may become or be declared due and payable before the stated maturity in the events, in the manner, with the effect and at the times provided in the Indenture.

The Indenture contains provisions making binding upon all holders of Debentures outstanding thereunder (or in certain circumstances specific series of Debentures) resolutions passed at meetings of such holders held in accordance with such provisions and instruments signed by the holders of a specified majority of Debentures outstanding (or specific series), which resolutions or instruments may have the effect of amending the terms of this Second Debenture or the Indenture.

The Indenture contains provisions disclaiming any personal liability on the part of holders of Shares, officers and directors of the Corporation or the agents of the Corporation in respect of any obligation or claim arising out of the Indenture or this Second Debenture.

This Second Debenture may only be transferred, upon compliance with the conditions prescribed in the Indenture, in one of the registers to be kept at the principal office of the Debenture Trustee in Calgary, Alberta or Toronto, Ontario and in such other place or places and/or by such other registrars (if any) as the Corporation with the approval of the Debenture Trustee may designate. No transfer of this Second Debenture shall be valid unless made on the register by the registered holder hereof or his executors or administrators or other legal representatives, or his or their attorney duly appointed by an instrument in form and substance satisfactory to the Debenture Trustee or other registrar, and upon compliance with such reasonable requirements as the Debenture Trustee and/or other registrar may prescribe and upon surrender of this Second Debenture for cancellation. Thereupon a new Second Debenture or Second Debentures in the same aggregate principal amount shall be issued to the transferee in exchange hereof.

This Second Debenture shall not become obligatory for any purpose until it shall have been certified by the Debenture Trustee under the Indenture.

Capitalized words or expressions used in this Second Debenture shall, unless otherwise defined herein, have the meaning ascribed thereto in the Indenture. If any of the provisions of this Second Debenture are inconsistent with the provisions of the Indenture, the provisions of the Indenture shall take precedence and govern.
