

KEYERA

ALBERTA CRUDE TERMINAL

*Headquartered in Calgary with operations focused in Western Canada, **KEYERA** operates an integrated Canadian-based midstream business with extensive interconnected assets and depth of expertise in delivering midstream energy solutions.*

Our business consists of natural gas gathering and processing, natural gas liquids (NGLs) fractionation, transportation, storage and marketing, iso-octane production and sales and diluent logistic services for oil sands producers.

We are committed to conducting our business in a way that balances diverse stakeholder expectations and emphasizes the health and safety of our employees and the communities where we operate.

Alberta Crude Terminal (ACT)

ACT is owned and operated by Keyera in partnership with Kinder Morgan. ACT spans 40 acres, for a total of 90 acres when combined with the adjacent Alberta Diluent Terminal (ADT). This parcel of land is located north of the Edmonton Terminal in the Edmonton/Fort Saskatchewan energy hub.

ACT functions as a loading facility for crude oil streams handled at Kinder Morgan's Edmonton Terminal. The Terminal, which began operating in September of 2014, has the capacity to load approximately 40,000 barrels per day of crude oil into tank cars and has access to the Canadian National and Canadian Pacific Railways.
