- **Pipeline Inspectors / Technicians**

Come join a growing team that believes in living our values of **Health, Safety, Environment, Integrity & Trust, Responsibility & Accountability, Teamwork and Business Spirit.**

Keyera is committed to being an employer of choice. We strive to offer a well-rounded total compensation package combined with a comprehensive benefits program, which is designed to ensure the health and well-being of our employees and their families.

Please submit your resume to careers@keyera.com, and our Recruitment Team will be in touch to talk about your future role with Keyera.

At Keyera, what you do is amazing!

ABOUT KEYERA

Headquartered in Calgary with operations in Western Canada, Texas and Oklahoma, Keyera operates an integrated Canadian-based midstream business with extensive interconnected assets and depth of expertise in delivering midstream energy solutions.

Hull Terminal

Situated near Mont Belvieu, Texas, the Terminal handles the receipt and delivery of NGLs including propane, butane, iso-butane and NGL mix for delivery to and from various North American markets.

Wildhorse Terminal

Wildhorse is a crude oil storage and blending terminal currently under development in Cushing, Oklahoma. The Terminal will include 12 above ground tanks with 4.5 million barrels of working storage capacity.

Oklahoma Liquids Terminal

The Oklahoma Liquids Terminal is a logistics and liquids blending terminal located near Tulsa, Oklahoma.
