KEYERA CAREER OPPORTUNITY

FACILITY OPERATOR

Hull Terminal – Hull, Texas

COMPETITION NO:	002435
POSTING EXPIRES ON:	June 14, 2019
REPORTING TO:	Terminal Superintendent
ROLE DURATION:	Permanent, Full-time

THE POSITION

Keyera is currently seeking a Facility Operator to join our Hull Terminal outside of Houston, Texas. This exciting role plays an integral role in supporting the day to day operations of our growing rail and truck terminal.

RESPONSIBILITIES

- Daily operations of rail movement, loading and unloading of Rail Cars & Trucks with NGL products (Propane, Butane & mixed NGL).
- Maintain strong relationships with the local 3rd party trucking firms using the Terminal.
- Ensure that safe loading and off-loading practices are being followed each day at the Terminal.
- Assist Operations and Maintenance to ensure all safety and preventative maintenance items are completed.
- Work with Terminal Superintendent and Operations Supervisor on regular reviews and updates of all Facility and Rail Safe Operating Procedures.
- Work with Houston and Calgary Logistics Team to ensure safe and on-time deliveries of products.
- Interact with local rail staff including track inspectors, crews and train management.

ABOUT THE FACILITY

Situated near one of North America's key energy hubs in Mont Belvieu, Texas, the Hull Terminal is connected via pipelines with ExxonMobil's Beaumont complex, the Daisetta storage facility and other NGL infrastructure in the area. The Terminal handles the receipt and delivery of valuable NGLs including propane, butane, iso-butane and NGL mix for delivery to and from various North American markets. In 2014, Keyera completed its redevelopment of the site and refurbishment of the equipment. With a capacity of 11,000 bbls/d, Keyera is developing and expanding the terminal as demand for its services evolve.
