About Keyera Corp.

Keyera Corp. (TSX:KEY) (TSX:KEY.DB.A) operates one of the largest natural gas midstream businesses in Canada. Its business consists of natural gas gathering and processing as well as the processing, transportation, storage and marketing of Natural Gas Liquids (NGLs), the production of iso-octane and crude oil midstream activities.

Keyera's gas processing plants and associated facilities are strategically located in the west central, foothills and deep basin natural gas production areas of the Western Canada Sedimentary Basin. Its NGL and crude oil infrastructure, including pipelines, terminals and processing and storage facilities, as well as its iso-octane facility, are located in Edmonton and Fort Saskatchewan, Alberta, a major North American NGL hub. Keyera markets propane, butane, condensate and iso-octane to customers in Canada and the United States.
