

Community investment guidelines

Our policy

We have a long tradition of investing in the communities that we call home and believe that the strength of our business reflects the strength of our communities. We are partnered with a broad range of organizations that reflect the values of our brand, our employees' interests and our desire to have a positive impact on the diverse communities we serve.

Guidelines and eligibility

Keyera's community investment program funds charitable organizations focusing on:

- Community enhancement
- Environment
- Health and wellness
- Youth and education

Keyera funds organizations that meet the needs of the communities that we operate in and reflect our business goals and ideals. Keyera will seek out or give preference to unique or exclusive sponsorship or donation opportunities that will have a long-term and significant benefit to the community while providing the company with appropriate recognition.

Keyera provides funds to non-profit organizations and preference will be given to organizations that have been granted a charitable registration number by Revenue Canada.

Procedure

If you have a sponsorship proposal, please include the following:

- Organization contact information
- Request description (objectives, frequency, location, date, cost and duration)
- List of confirmed sponsorship partners and their level of participation
- Recognition and employee participation opportunities
- Program demographics and expected attendance
